

The Commander Detacher™

The Commander Detacher is for use with all types of magnetic release tags. Complete with lock and barrel keys for out-of-hours security, the Commander has been developed to stay safe when not in use. Supplied complete with fixings for secure mounting on top of the cash desk, the Commander is ready for action straight out of the box. Available in an alarming model which emits a loud alarm if the cable is cut.

Features

- Surface mount design with all fixings supplied
- For use with all magnetic tags
- Scratch resistant plastic
- Alarming model warns if cable is cut
- Long lasting battery for alarm
- Lockable in closed or ready position as needed
