

Commander Detacher™

Improve operations and security.

The Commander Detacher offers improved ergonomics, ease of use and strength, unlocking Standard, S3, and SuperLock security products. Its 30" coiled lanyard allows flexible detaching. The Commander Detacher can be locked in place two ways within the base – opened or closed. When facing up, the detacher can unlock protected merchandise. When facing down, the device can be locked to protect against unauthorized use.

FEATURES & BENEFITS

Barrel key and lock prevents unauthorized use, reducing theft when POS is unattended

Compact and ergonomic design, maximizing POS counter space

Dock can be securely mounted to countertop

One-handed detaching for increased efficiency during checkout

Serialized for added security
