

Safe tagging solution for you and your customers.

The patent pending SlideTag™ is a revolutionary development in security tagging solutions for the safety-conscious retailer. The unique, one piece design incorporates a fixed magnetic clutch and self-retracting pin mechanism, allowing the pin to be guided into the clutch with precision and safety – giving a smooth and speedy application first time, every time, without exposure to the pin.

FEATURES & BENEFITS

Opening has contoured lip for smoother fit on materials up to .14"

One-piece design, the housing conceals the spring loaded, smooth pin

Needle sharp, self-retracting pin minimizes fabric damage

Small, compact design

No tag/pin sorting required

Other colors available

RF

AM

- EAS hard tag
- Rapid application and removal
- Releases with SuperLock detacher
- DualLock version compatible with both magnetic and mechanical detachers
